Rapid-Set® Tools

The fastest, easiest and most reliable way to install machine screw lead (caulk-in) anchors

[CONTRACTOR APPROVED]

- For machine screw lead (caulk-in) anchor sizes 1/4" and 3/8".
- Designed for use with power tools.
- Automatically sets anchor just below the surface.
- Maximizes expansion of bottom portion of lead sleeve.

Made in USA

***Note:** Rapid-Set Tools draw the anchor's internal insert up into the anchor's outer sleeve; this installation process eliminates the need to maintain a back bearing surface (required by hammer setting tools).

PART #	UPC #	DESCRIPTION	QTY / PKG	SUG. TRADE LIST / PKG
